School vision	School values	Context and challenges	Intent, rationale and focus
RPS strives to be a creative, inclusive and stimulating learning community where we all "dare to be excellent".	<ul style="list-style-type: none"> Respect: showing care and concern for other people and property. Integrity: Being honest, sincere, truthful and trustworthy. Responsibility: for self, others and the environment. 	<p>Context: Romsey Primary School was established in 1865 and was relocated to its present location in 1994. Romsey is a slow growing satellite town 60kms north-west of Melbourne. Currently there are 270 students enrolled, drawn mainly from the town and immediate area. There has been a downward trend in enrolment over the last two years. The students at Romsey Primary School draw from families with a socio-economic profile higher than the state average. The student family occupation (SFO) index of the school in 2016 was 0.4001. Buildings and grounds are well-established with most of the school having been refurbished in the past 5 years. Learning spaces are flexibly designed.</p> <p>Challenges</p> <ul style="list-style-type: none"> To build student engagement in their role in their learning To build a culture of learning across all stake holders in the school community To consistently implement a school wide approach to positive behaviour support. To improve student learning growth and achievement to be at or above National standards. To build a culture and practice of distributed leadership across the school. To use the school's flexible learning spaces to their full capacity to support 21st century learning. 	<p>Intent – To build teacher capacity in pedagogy and deep content knowledge of literacy, numeracy and assessment practices to meet the differentiated student learner needs.</p> <p>Rationale – Student engagement in their learning and having a positive growth/ learning mindset is essential to improvement in student learning outcomes. Effective teaching is one of the biggest determinant of student improvement in the school. Teachers not only have a direct impact on student achievement but also student engagement and motivation for learning. What teachers do in the classroom and know about their students is vital.</p> <p>Focus –Positive Climate for learning- Setting expectations and promoting inclusion. Excellence in teaching and learning – building practice excellence.</p>
